

St Vincent's Star

Has been awarded to.

For being a wonderful team player.

Alfred always ensures his classmates are happy and offers to help them with their class work whenever he can. During our class assembly about Shackleton's journey, Alfred demonstrated these skills when he volunteered to take over the lines of someone who was absent, just minutes before the assembly started. He performed them with such confidence that I am sure the audience had no clue he had only just agreed to say them!

Well done Alfred! We are lucky to have you in Class 4!
