

# St Vincent's Star

Has been awarded to. . . . .

Alicia  
in Year 4

For working extremely hard on her maths skills this term!  
Alicia has worked hard with Miss P and Miss Day to learn her 2 times tables (which she is now an expert at) and her 3 times tables.  
Her enthusiasm towards learning these number patterns has grown and as a result, Alicia has become more confident in working with numbers.  
Well done Alicia! Keep up the hard work!
