

**LO: I can learn all of these songs off by heart for the Easter Celebration.**

Were you there when they crucified my Lord?  
Were you there when they crucified my Lord?  
Were you there when they crucified my Lord?  
*Oh, sometimes it causes me to tremble tremble*  
Were you there when they crucified my Lord?

Were you there when they nailed him to the cross?  
Were you there when they nailed him to the cross?  
*Oh, sometimes it causes me to tremble tremble*  
Were you there when they crucified my Lord?

Were you there when they laid him in the tomb?  
Were you there when they laid him in the tomb?  
*Oh, sometimes it causes me to tremble tremble*  
Were you there when they crucified my Lord?

Were you there when the stone was rolled away?  
Were you there when the stone was rolled away?  
*Oh, sometimes it causes me to tremble tremble*  
Were you there when they crucified my Lord?

This is my body.  
This is my body,  
This is my blood,  
Broken and poured out for you.

Eat it and drink it,  
Be cleansed from your sin,  
Remember me each time you do.

Think of me every time  
Think of me every time you are together,  
Sharing the bread and the wine.  
Think of them both as a sign that I am with you,  
I am your friend, you are mine.

Do not fear, Soon all will be clear.  
Think of me every time,  
You break the bread, You drink the wine.

Come what may, Night gives way to day. Oh  
Think of me every time  
You break the bread, You drink the wine.

I'm not the man  
*Aren't you that man we saw with Jesus?  
You look like one of Jesus' friends!*

I'm not his friend, you can be sure.  
Go knock on someone else's door.  
Cause I'm not the man you're looking for!  
*Chorus*

I'll say this once and make it plain.  
Don't make this accusation again.  
I don't even know that person's name!  
*Chorus*  
Leave me alone. Please let me be.  
I'm not your man, as you can see.  
The third time I tell you - it's not me!

Here he stands  
Here he stands so silently.  
Why won't he tell them who he is?  
Here he stands accused of wrong,  
when all he ever did was good.

Here he stands so silently  
while all the crowd shout "crucify".  
Another man will be set free.  
They've made their choice,  
Jesus must die.

Dear Parent/Carer, Your child needs to know all of these words off by heart for the Easter Celebration. Please ensure that they practice these often. Thank you!

Here he dies so silently.  
Hung on a cross at Calvary.  
Here he dies, so full of love.  
"Father, forgive" is all he cries.

Here he dies so silently.  
Earth lies in darkness, death is near.  
Now is the time, he bows his head.  
His work is done, Jesus has died.

*Here is love for all displayed.  
Here is love, the price is paid.  
By his death, he brings us life,  
becomes himself, God's sacrifice.  
Perfect love for all displayed.  
Perfect love, the price is paid.*

Here he dies so silently.  
Earth lies in darkness, death is near.  
Now is the time, he bows his head. His  
work is done, Jesus has died.

### He is alive

No-one lived like this, no-one died like this.  
He's the first and last, future, present, past.  
The eternal one, son of God, he is alive.  
No-one loved like this, no-one cared like this,  
As he walked the streets helping those in need.  
The eternal one, son of God, he is alive.

For he came to be the way;  
and he came to be the truth;  
and he came to be the risen life.  
Up from the grave, let us sing and rejoice.  
He is alive, he is alive.  
Conquering death, let us sing and rejoice.  
He is alive today.

No-one spoke like this, no-one served like this,  
was a friend who came to all those in pain.  
The eternal one, son of God, he is alive.  
No-one prayed like this, no-one gave like this,  
lifting high the cause of the weak and poor.  
The eternal one, son of God, he is alive.

### He's Alive!

*Come and join in the song,  
Jesus Christ is Lord over all,  
And He lives to reign forevermore,  
The heavens applaud,  
'He's alive! He's alive!'*

Lift your hearts and your voices,  
Fill the earth with rejoicing for  
Every knee shall bow to Him  
and everyone confess:  
Jesus Christ is Lord and King,  
he's conquered sin and death!

### *Chorus*

Lift your hearts and your voices,  
Fill the earth with rejoicing for  
Every nation, every tribe  
will glorify His name.  
All creation shall bow down  
and honour Him with praise!

### *Chorus*

### New Beginning

Say goodbye to colder days,  
The sky begins to clear.  
Give a wave to Winter for a year.  
Like the clocks we all leap forward,  
Hop, skip, jump and play.  
Spring is here, it's time for us to say:  
*Flowers are growing and the birds are singing,  
Welcome in this new beginning.  
Spring has sprung, and we've begun  
To see the gifts that Nature's bringing.  
Warm days are coming, all the earth is singing,  
Welcome in this new beginning.  
Spring is here, so give a cheer  
For all the gifts that Nature's bringing.*  
Underneath the frozen ground,  
Plants were just asleep.  
As the sun shines shoots will start to peep.  
The world that seemed so dull and cold,  
Has come alive once more.  
Begin again, it's what the Springtime's for.  
*Chorus*

### Easter Jubilation

Easter jubilation fills,  
the streets and towns,  
Celebrations have begun.  
Hear the music,  
and the dancing now.  
Join the laughter and the fun.

*Oh - raise a joyful shout,  
Clap your hands and dance -  
let your feelings out.  
Oh - hear what it's about  
Christ the Lord has come to set us free!*

Put aside your sorrows,  
wipe your tears away,  
For a better time will come.  
There's a promise of a brighter day,  
Join the laughter and the fun.

### We are One

There are people in our lives,  
Some are friends and some are strangers.  
Though we see through different eyes  
And we come from many places

*We are one, we are strong  
As we sing our songs together  
We are one, we belong  
As we share our lives together*

There are places in our lives,  
There are things we've done together.  
And the memory of these times  
Will be in our hearts forever.

*Together we are strong,  
We sing our songs together.  
Each one of us belongs,  
We share our lives together*

### I'll make the difference

I'm the one who can make the diff'rence,  
Yes, I will make the diff'rence;  
Against all odds I can live to share my love with others.  
Yes, I will make the diff'rence, I can make it!  
Take my hand as we make this journey  
Across the land.

*I had the courage to  
Keep goin' on.  
I had the faith when  
All hope was gone.  
I had the strength to keep holding on.  
I can make the difference, yes I can!*

Cause I'm the one who can make the diff'rence,  
Yes, I will make the diff'rence;  
Against all odds I can live to share my love with others.  
Yes, I will make the diff'rence, I will make it!  
Take my hand as we make this journey  
Across the land.

We're the ones who can make the diff'rence,  
Yes, we will make the diff'rence  
Against all odds we can live to share our love with others.  
Yes, we will make the diff'rence, we can make it!  
Take my hand as we make this journey  
Across the land.
