# Auction 2018

Thank you for supporting the annual St. Vincent's Auction. This event is the school's biggest fundraiser and over the years has enabled us to provide wonderful learning opportunities for the children and to purchase a range of exciting resources. As well as supporting building works in the school such as the amazing Creativity and Reading Rooms, the funds raised have enabled us to upgrade all the computers within the school. We want our pupils to be fully prepared for their future! The children have also explored the many attractions of London and had the opportunity to work with artists and authors to enhance their creative curriculum.

This would not be possible without the dedication and hard work of our committed parents and the generous support of our local community.

This year we are raising funds to improve our school environment. St.Vincent's is housed in a beautiful building which was originally a convent but it needs modernizing to be fit for twenty first century education. We want to upgrade the classrooms, particularly on the second floor, whilst preserving the historical features.

If you have helped in any way with our fundraising efforts by helping to prepare for the auction, working on the evening, supplying a donation or bidding on the night – we are truly grateful.

Thank you

Miss Marina Coleman  
**Headteacher**

On behalf of St Vincent's School Parents Association (SVPA) we would like to welcome you to our 17th Auction. The Auction is made possible by the support of the parents who organise it, the many businesses who donate their products and services, and you bidding generously!!

This year we have an incredible selection of very tempting donations so I hope that as many of you will be able to attend and bid, for those which sadly won't be able to attend we once again have **'BUY IT NOW'** feature which allows you to make purchases ahead of the live auction. Look out for the 'Buy it Now' sign in the magazine and bid successfully.

You can view more information on the items and bid online by following the link on our SVPA website [www.svpa.org.uk](http://www.svpa.org.uk) or the school website [www.stvincentsprimary.org.uk](http://www.stvincentsprimary.org.uk).

We would like to take this opportunity to thank our many enthusiastic and committed volunteers who have worked so very hard to make sure that all the events were enjoyable and successful.

We trust you will enjoy the Auction night, it is open to all - tickets are not required. Please plan ahead and join us for part or all of the evening, have fun and bid!!

Best of luck,

Mrs Carolina Linares

## A BRIEF HISTORY OF OUR SCHOOL

St Vincents Catholic Primary School is a small state funded catholic primary school just off Marylebone High Street with a long history dating back to 1868. We provide an 'outstanding' education (Ofsted 2010) to a diverse international community of approximately two hundred and thirty children with a dedicated and talented team of teaching, support, and administrative staff.

*Here is how it all started..*

1868 --- The Daughters of Charity opened the school in Beaumont Street W1 in 1868 as a day nursery for the benefit of poor milk women. They named our school after St. Vincent de Paul who was their founder. Like him, they dedicated their lives to serving the poor.

1870 --- The school moved to a new address on Bulstrode Street W1 which coincided with the formation of an orphanage for girls. In 1893, the school was on the move yet again, this time to premises on Wigmore Street W1 as a day school for girls.

1935 --- The construction of the current building began in 1935 and was completed in time for its opening in January 1938 when there were fifty orphans in residence.

1939 --- Eighteen months later and with the outbreak of World War II, the school was evacuated to Bristol. The building survived and was used during that period as a communal meals service, as emergency accommodation, and as a public shelter. After the war, the school reopened without an orphanage. At some point, Little Barlow Street became St. Vincent Street in keeping with the school's name. You can see the original street name today painted on the wall above the signage of the shop on the south corner of St. Vincent Street with Marylebone High Street.

2005 --- In July 2005, with numbers in the order falling, the Daughters of Charity sold their convent on Blandford Street and the school building, to Westminster Council. The sisters are now located around the country, and the school is managed by the Diocese of Westminster in partnership with Westminster Local Authority. Part of the former convent was demolished, making way for a new building which opened in Autumn 2009 to house the Sixth Form Centre for St. Marylebone Girl's School. The adjoining original dormitories building was converted into an office and teaching space for the Sixth Form Centre, while the original Chapel on the ground floor was converted and is now occupied by St. Vincent's Nursery and Reception classes.

# SCHOOL TRIPS

## ● Nursery Trip to Willows Farm

Nursery will be visiting Willows Farm in St Albans on Wednesday 14th June 2018. It is a long way away so we will be travelling by coach which is exciting in itself! When we get there, we are looking forward to seeing and touching lots of different farm animals and learning more about them. We are also looking forward to a tractor ride, visiting Peter Rabbit in his special adventure playground and enjoying lots of fresh air in the Hertfordshire countryside.

Thank you very much to the SVPA for making this wonderful trip possible for us. We are very excited and we can't wait! Love from the Nursery.

## ● Reception Trip to Paradise Wildlife Park

Reception are going to visit Paradise Wildlife Park! We are very excited about this visit. We will learn about lots of different animals, for example tigers, lions, and even some rainforest animals. We have been thinking about what our favourite animals are and have drawn some here. Thank you to the SVPA. We are really looking forward to our trip!

## ● Year 1 and 2 Broadstairs Trip

Thank you for our amazing trip to Broadstairs last year. We had so much fun! We had a sandcastle competition and then the lifeguard came and judged it for us. We paddled in the sea, and then had an ice cream. We had to watch out for the seagulls as they kept trying to eat our packed lunches. We think the best bit was when we got to eat ice cream! We can't wait to go again with all our friends from Year 1 and new children who have joined the school and to build more sandcastles.

## ● Year 3 The Roald Dahl Museum

We are really looking forward to our trip to the Roald Dahl Museum in June. As one of our favourite authors, we cannot wait to learn all about the master storyteller! The museum is the perfect place to see the writing process in action and we hope to discover how we can use the same technique as Roald Dahl and learn more about his life.

'I can't wait to discover more about Roald Dahl's life, my favourite book is Matilda as I love the characters!

'I love Fantastic Mr Fox as the foxes are so naughty and there is lots of suspense!'

'Roald Dahl has written so many amazing books, I'd love to learn where he got his ideas from!'

Thank you to the SVPA, we can't wait for our visit!

## ● Year 4 The Globe Theatre

Year 4 has begun their Unit on William Shakespeare. This topic is filled with interactive opportunities to engage the students and bring Shakespeare and his plays to life. In addition to weekly rehearsals of *The Winter's Tale*, the class will have an opportunity to visit the Globe Theatre Wednesday the 25th of April. On our visit, we will be taken on a guided tour of the theatre, during which the class will learn about the life of William Shakespeare, the history and design of the Globe Theatre and life during the Elizabethan Era. Following the tour, the students will participate in a workshop based on one of Shakespeare's plays. During the session, the selected play will be presented to the students as a story to be shared between the actor and audience. They will experiment with the sounds and rhythms of Shakespeare's language. As an additional treat, the students will observe a live demonstration of stage fighting techniques used in early modern plays, followed by a question and answer session. The trip promises to be a fascinating exploration of the historical significance and far reaching influence of William Shakespeare and his famous literary contributions. Thank you to the SVPA-the students are looking forward to this trip with great enthusiasm!

## ● Year 5 Kidzania

We had a fantastic time pretending to be adults and trying out different 'jobs' to earn 'money' at KidZania, Westfield. Some of us graduated from KidZania University, some were busy saving lives in the KidZania Hospital and some were busy working several jobs (i.e.: cleaning windows, delivering parcels and working in supermarkets) to earn kidZos (KidZania currency) which we then spent on activities/shops.

Thank you so much to the SVPA for funding our magnificent trip to KidZania! We really appreciate it. ' Year 5.

## ● Year 6 Trip to Legoland

Last summer, Class 6 visited Legoland as a reward for all of their hard work and achievements during the

year. The children had a fantastic time and particularly enjoyed the acrobatic pirate show, the Lego Starwars exhibition and some thrilling rides. Most of all, we loved having fun together as a class on our last ever St Vincent's trip. We were very grateful to the SVPA for funding such an exciting and memorable day out. Thank you! This year's Class 6 have also been working extremely hard and are hoping that all of their hard work and effort will also be rewarded!
