During the school day

Dear Parents/Carers,

As we cannot hold our usual Easter Fair, the SVPA is supporting a mini version during the last school day of term led by the teachers. There will be plenty of fun for the children: Craft activities, Raffle, Waffles...

Our mini Easter Fair is under three weeks away so we have to get ready...

Easter Eggs Hunt and Waffles

The last school day of term will start with a fun Eggs hunt. All findings will be shared among the class to be brought home at the end of day. The children will also get the opportunity to get a complimentary waffle with their choice of toppings.

Easter Bonnet Decoration

Every year we hold our traditional Easter Bonnet parade. This year the children will have the opportunity to make one at school during a fun Craft activity whilst maintaining their bubbles.

International Easter Hamper Raffle

As we couldn't celebrate the cultural diversity of our school with our normal International Evening, we thought it would still be nice to share some products from our home countries (with an 'Easter twist') in a class hamper raffle.

How it works - We kindly ask every child to bring an item to their class (**before Wednesday March 24th**). It can be anything that you think would make a nice Easter gift or treat or something from your home country for the kids and their families to share.

It should be a non-perishable item (**no alcohol and no nuts**) as the items will only be collected by the teacher and stored in one big bag in the Classroom.

The Raffle itself will be held on the day of the Easter fair. Tickets will be sold per class so that each child gets a chance to win their class hamper. You will receive the raffle tickets through the school bag on the 19th March.

The winners will be drawn at the Fair by Miss Coleman.

Thank you all,

Shana Toevs, Julie Nouailhetas, Nicole Rao – Co-chairs
