FOOD vs. VERSE

We are inviting primary school pupils in *Key Stage 1* or *Key Stage 2* year groups to enter our Food vs. Verse Competition.

The closing date is: Friday 31st July 2020

The theme for your poem should of course be all about FOOD! Below are some ideas to help get you started:

- your favourite food or dish
- the different tastes of food
- the different seasons of food
- from farm to fork
- the use of the 5 senses with food
- the different food groups

The poem can be funny or serious: the whole idea is to link food education to literacy within the school.

We will judge all entries and select a winner from each age category. We can't wait to read all of your entries and we hope that you have fun doing it!

Please email your entry form and poem, along with any other queries, to:
