

Marylebone Square

Community Update

Dear Neighbour,

We hope you are all keeping safe, please find information for the upcoming works.

Our project

The works at Marylebone consist of constructing a collection of both high-end and affordable apartments over 5 storey, carefully chosen boutiques and restaurants, and a versatile community hall.

Progress update – May 2021:

- Piling completed and rigs off site.
- Crawler crane to leave site
- Steel propping installed allowing to excavation to begin
- Capping beam to be completed along Aybrook and Moxon Street.
- Ground floor gantry slab to be installed at North end of site to enable new cabins to be installed.
- Second Tower crane to be installed
