

MARYLEBONE LOW EMISSION NEIGHBOURHOOD

Marylebone High Street (Paddington Street / Devonshire Street)

SUPPORTED BY
MAYOR OF LONDON

Main works

The main construction works are anticipated to last for 16 weeks, during which **Marylebone High Street will be closed to southbound traffic** between Nottingham Street and Paddington Street. The following map shows the diversion routes for traffic during that time.

Deep drainage works on Paddington Street

For a short period during the main construction works, we will need to **fully close access to Paddington Street from Marylebone High Street**, in order to undertake deep drainage connection works. We anticipate that this closure will last three weeks. During this time, the following map shows the diversion routes for traffic.
