# Maths Task – 16.6.20

MNP Workbook: 3B
Chapter 9: Time
Lesson 3&4: Telling the Time *(pages 37&38)*

Skill: I can tell time using vocabulary, such as o'clock, a.m/.p.m., morning, afternoon, past and half past.

Great work Class 3 on recapping all about length, mass and volume during our measure topic! The word problems can be quite tricky so well done for having a good try!

We will now recap on time. Telling the time can be quite tricky, make sure you click on lots of the links I have provided to help support your learning.

Click HERE to recap on telling the time.

Charles leaves school at 1:30 p.m.
Can you tell the time in other ways?

Let's Learn

1 It is 1:30 p.m.
It is 1:30 in the afternoon.

1:30 PM

2 It is half past one in the afternoon.

3 It is 30 minutes past one in the afternoon.

4 Charles arrives in school at ⏰ every school day.

8:25

8:25 a.m.

8:25 in the morning.

25 minutes past 8 in the morning.

In Focus

At what time did the train arrive?

8:00pm

The watch is not showing the correct time.

The clock is showing the correct time.

Let's Learn

1 It shows 8 o'clock at night.
We write it as 8:00 p.m.

8:00pm

2 It shows 13 minutes past 8 at night.
We write it as 8:13 p.m.

The train arrived at 8:13 p.m.

Complete the Guided Practice below.

1 Tell the time in as many ways as you can.

(a)

morning

(b)

afternoon

(c)

night

2

It is [ ] minutes past [ ] in the morning.

Tell the time in another way.

3

It is [ ] to [ ] in the afternoon.

Write down the time using a.m. or p.m.

[ ]

Match the clocks that show the same time.

The time is ☐ minutes past ☐ .

Can you suggest something that might happen at each of these times?

Now you have warmed up, you are ready to complete your Maths No Problem worksheets.

Complete Maths No Problem worksheet 3&4 (pages 37&38). If you have already completed these worksheets, click here for blank MNP worksheets. Once you have completed, ask an adult to help check your answers using the MNP website.
