

Music Task – 21.5.20

Today we are going to celebrate all of the songs and hymns we sing at school!

We are so lucky that music and singing is such a big part of school life at St Vincent's. It brings us so much joy and can lift our spirits whatever time of day! Today is an opportunity to reflect on all of our favorite songs and hymns that we sing with Mr Rees at school.

Task

Your task today is to think about and reflect on your favourite songs and hymns we sing at school. You may like to think back to our special Masses we have at school or Easter and Christmas celebrations and choose your favourite song.

Write on the blog which is your favourite and why you like it.

I really love the song we learnt before Easter 'There is power in the music.' I think the message in the song is so powerful and encouraging. You can listen to it here:

Music Task – 21.5.20

He is alive

No-one lived like this, no-one died like this.
He's the first and last, future, present, past.
The eternal one, son of God, he is alive.
No-one loved like this, no-one cared like this,
As he walked the streets helping those in need.
The eternal one, son of God, he is alive.

For he came to be the way;
and he came to be the truth;
and he came to be the risen life.
Up from the grave, let us sing and rejoice.
He is alive, he is alive.
Conquering death, let us sing and rejoice.
He is alive today.

No-one spoke like this, no-one served like this,
was a friend who came to all those in pain.
The eternal one, son of God, he is alive.
No-one prayed like this, no-one gave like this,
lifting high the cause of the weak and poor.
The eternal one, son of God, he is alive.

He's Alive!

*Come and join in the song,
Jesus Christ is Lord over all,
And He lives to reign forevermore,
The heavens applaud,
'He's alive! He's alive!'*

Lift your hearts and your voices,
Fill the earth with rejoicing for
Every knee shall bow to Him
and everyone confess:
Jesus Christ is Lord and King,
He's conquered sin and death!

Chorus

Lift your hearts and your voices,
Fill the earth with rejoicing for
Every nation, every tribe
will glorify His name.
All creation shall bow down
and honour Him with praise!

--

New Beginning

Say goodbye to colder days,
The sky begins to clear.
Give a wave to Winter for a year,
Like the clocks we all leap forward,
Hop, skip, jump and play,
Spring is here, it's time for us to say:
*Flowers are growing and the birds are singing,
Welcome in this new beginning,
Spring has sprung, and we've begun
To see the gifts that Nature's bringing.
Warm days are coming, all the earth is singing,
Welcome in this new beginning.
Spring is here, so give a cheer
For all the gifts that Nature's bringing.*
Underneath the frozen ground,
Plants were just asleep.
As the sun shines shoots will start to peep.
The world that seemed so dull and cold,
Has come alive once more.
Begin again, it's what the Springtime's for.
Chorus

Easter Jubilation

Easter jubilation fills,
the streets and towns,
Celebrations have begun.
Hear the music,
and the dancing now.
Join the laughter and the fun.

*Oh - raise a joyful shout,
Clap your hands and dance -
let your feelings out.
Oh - hear what it's about
Christ the Lord has come to set us free!*

Put aside your sorrows,
wipe your tears away,
For a better time will come.
There's a promise of a brighter day,
Join the laughter and the fun.

We are One

There are people in our lives,
Some are friends and some are strangers.
Though we see through different eyes
And we come from many places

*We are one, we are strong
As we sing our songs together
We are one, we belong
As we share our lives together*

There are places in our lives,
There are things we've done together.
And the memory of these times
Will be in our hearts forever.

*Together we are strong,
We sing our songs together.
Each one of us belongs,
We share our lives together*

I'll make the difference

I'm the one who can make the diff'rence,
Yes, I will make the diff'rence;
Against all odds I can live to share my love with others.
Yes, I will make the diff'rence, I can make it!
Take my hand as we make this journey
Across the land.

*I had the courage to
Keep goin' on.
I had the faith when
All hope was gone.
I had the strength to keep holding on.
I can make the difference, yes I can!*

Cause I'm the one who can make the diff'rence,
Yes, I will make the diff'rence;
Against all odds I can live to share my love with others.
Yes, I will make the diff'rence, I will make it!
Take my hand as we make this journey
Across the land.

We're the ones who can make the diff'rence,
Yes, we will make the diff'rence
Against all odds we can live to share our love with others.
Yes, we will make the diff'rence, we can make it!
Take my hand as we make this journey
Across the land.

I look forward to hearing your answers!
