

Name of the food dish: _____

Design:

Method:

Ingredients:

Equipment:

Evaluation:

Think about the following questions when you write your evaluation:

What do you think about the taste? Does it have good flavours?

Does it look good? How did you make it appealing?

How did you find the process of making your dish? Did everything go to plan? Did you come across any problems?

If you made it again, would you change anything?
