Primary School Newsletter

Welcome Back

CENTRAL WEST POLICE

March 2021

A massive well done to all parents, students and teachers on getting through another lockdown of home-schooling!

Thank you all for working together to maintain social distancing. Your help & support means we will hopefully return to normality very soon.

AWARENESS
ACADEMY

The *Awareness Academy* is a brand new & exciting workshop based programme created by the Metropolitan Police Service designed just for our primary schools. The workshops will be delivered by police officers in a fun and engaging atmosphere. The *Awareness Academy* begins this Easter & will be heading your way very soon.

S.A.F.E Camp

Safe Camp will be running over the Easter Holidays, however due to Covid-19 restrictions it will only be offered to students who have parents/carers that are key workers. Those children can sign up at London Sports Trust.

Outreach Team

Get ready to meet your new outreach team. This group of officers are dedicated to tackling youth crime. They take a proactive approach of engaging with young people who would have otherwise been caught up in criminal activity. Working with external agencies they are able to provide opportunities & activities with the aim of diverting them onto a better path in life. Look out for officers in your area.

NEW
ARRIVAL

Crime Prevention Corner

Safety Whilst Out & About

- Pay attention to your surroundings
- Avoid listening to loud music
- Keep mobile phones & valuables hidden
- Stick to well-lit main roads

e
r

Have a wonderful Easter break. Be safe, have fun & of course, eat lots of chocolate.
