

# St Vincent's Star

Has been awarded to. . . . .

Rafael  
in Year 4

For working incredibly hard on his times tables this term!  
Rafael has been practising at home and at school to ensure he increases his score in times tables tests every week!

During a Religious Education lesson about self-discipline, Rafael set himself a goal of becoming even faster at recalling his times tables and wrote out his own steps to success.

Well done Rafael! Keep working hard!
