

Science Task – 30.4.20

Our new Science topic this term is 'Plants.' We will discover important parts of plants and learn about their life cycle.

Let's learn more about plants...

1. Watch this video which tells us about what a plant is:

<https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/zcjmp39>

2. Watch this video explaining how plants are living things:

<https://www.bbc.co.uk/bitesize/clips/zvbvr82>

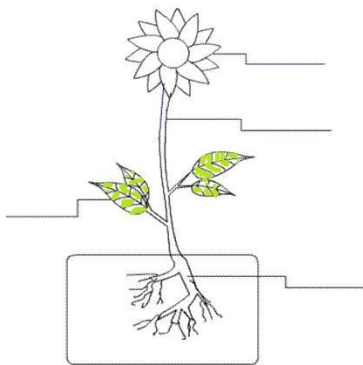

3. Watch and listen to this fun song about what plants need to grow:

<https://www.bbc.co.uk/bitesize/topics/zy66fg8/articles/zcmtk2p>

Task 1

Draw and label your own plant (complete this in your yellow homework book). Use my picture below to help you draw each correct part. Can you remember the features from the videos you watched?

Task 2

Make your own poster about what plants need to be able to grow.

This video will give you all of the important information to help you.

<https://www.bbc.co.uk/bitesize/clips/z9f87hv>

You can include headings, subheadings and pictures – don't forget to label the pictures.

You may like to send a picture of your poster and I will upload them to the blog.

Challenge:

Do you have a plant at home? Can you find out the name of it and tell us what it looks like on the blog?
