

## A huge **THANK YOU** from St Mungo's

Dear **St Vincent's Primary**,

Thank you! We are so grateful for your generous donation of **£405.38** to support our homelessness services this winter. Without contributions like this, we simply couldn't do the work that we do. Please pass on our thanks to all the children, staff and parents who made this excellent fundraising total possible.

There is never a good time to be homeless but the cold and dark winter months can be the hardest of all. Our clients struggle at this time of year more than any other and with the added threat of Covid-19, this winter is set to be the toughest yet.

But your support will bring hope to people sleeping on the street. Our outreach teams go out late at night, 365 days a year, to find rough sleepers and connect them to help. Once inside, our staff work with them to plan a route out of homelessness and support them along every step as they rebuild their lives.

Last year, because of supporters like you, we were able to

- Help **32,800** people who were either homeless or at risk of becoming so.
- Provide a bed and support to **3,150** people every single night in London and the south of England.
- Support people with their **mental health** and **substance use** problems, as well as provide access to **employment** and **training** opportunities.
- Help over **3,000** rough sleepers to safely self-isolate in hotels during the first national lockdown. We have since supported more than **1,000** of these into longer-term, stable housing.

Thank you so much for helping us bring hope to those affected by homelessness.

Wishing you a great 2021.

*Kirsty*
