

LO: To be able to identify key features of a bar chart.

To understand what a bar chart shows us.

A graph to show

1. Label the graph with the following:

A graph to show children's favourite ice cream flavours.

Number of children.

Flavours of ice cream.

2. Write how many children like each flavour of ice cream?

Chocolate

Vanilla

Banana

Strawberry

Mint Chocolate

Toffee.

3. What was the most favourite flavour?

4. What was the least favourite flavour?

5. What flavours were liked the same amount?

6. Which flavour was second favourite?
