20th Annual Auction

Friday, 24th June 2022

1st March 2022

Dear Sir / Madam,

On Friday 24th June 2022, St. Vincent's Primary School in Marylebone will be holding its 20th annual auction to help raise funds for the school.

About us

St. Vincent's is a highly successful primary school judged as outstanding by Ofsted. It is situated in the heart of Marylebone and prides itself on strong links with the community. Over the years, the school has enjoyed the support of local businesses to help raise funds for the improvement of the school for which we are extremely grateful.

How we spend the money

Previously the money raised has been used for the repair and improvement of the roof playground, to upgrade the use of technology within the school as well as for curriculum enhancing activities such as; workshops with artists or authors, school trips, and Christmas pantomines

How to donate

The Auction's success relies on the **generous donations from local business** in the form of products, services and advertisements. For the event we produce an auction magazine. Five hundred copies will be distributed to local businesses in Marylebone and to parents of St Vincents in advance of the auction. All donors get their logo printed in the magazine and on our online catalogue.

If you wish to support our school please complete this **donation form** and return it to the school. The Parents' Association website www.svpa.org.uk has a link to an **online donation form if you prefer.**
