Easter Fair- Friday 25th March 2022, 3.15 - 4.45pm

Dear Parents,

We are very happy to announce that the Easter Fair is back and fast approaching. For those who are new to the event, no tickets are needed to attend. There will be an International Hamper Raffle, Face Painting, Waffles, Arts & Crafts, Biscuit decorations, Football, Basketball and many other activities.

How you can get involved

Help on the stands

There are several stands to organise so we need as many volunteers as possible to make it good fun for the children. e.g. Selling cakes and soft drink, Face painting, Queue control for face painting, Raffle, Hoola Hoops or Lucky Dip, Arts & Crafts table, biscuit decorating, Waffle stall, football and Easter Bonnet Display table. - Please let us know by signing up on the SVPA spreadsheet displayed in the office, or via hello@svpa.org.uk.

Donations

Prizes for tombola: We would greatly appreciate any items, which can be used for the tombola, small little gifts for children in good conditions.

Food/cake donations – Please bring in cakes whether homemade or shop bought (all welcome!) for our cake sale. Thank you in advance for all your kind efforts. You can leave them in the office on the morning of the 24th. **(Do remember to avoid food containing nuts and alcohol).**

Easter Bonnet Parade

Make a bonnet, or an Easter style hat or crown and join in the Easter Bonnet Parade during the Fair. Bonnets can be entered at the Fair or on the morning of the fair in the corridor. £1.00 entry fee. Judged by a member of staff. GOOD LUCK!

International Easter Hamper Raffle

As we couldn't celebrate this year our cultural diversities, we thought it would still be nice to share some products from our home countries.

How it works - we kindly ask every child to bring to their class **before Tuesday March 22nd one item**, which will help create their class Hamper. Items can be anything that you think would make a nice Easter gift or treat for the children and their families, it could also be an item that celebrate your home country or both at the same time. It should be a non-perishable item (**no alcohol and no nuts**) as the items will only be collected by the teacher and stored in the classroom.

Each class has a bag in which the children are depositing the items.

The Raffle itself will be held on the day of the Easter fair. Tickets will be sold per class so that each child gets a chance to win their class hamper. You will receive the raffle tickets through the school bag one week before the fair. The winners will be drawn at the Fair by Miss Coleman.

What to do next

Mark the date in your diary and let us know how you hope to help!

Raffle Tickets for the International Hamper Raffle will be sent home 2 weeks before the fair.

Buy tokens for using at stalls. Tokens will be pre-sold before the event, as well as during the event.

We look forward to seeing you there!

Best wishes,

Shana
Co-Chair S.V.P.A.
